

Since July of 2005 **Kick For A Cause** has held an annual women's charity soccer tournament. This year it will be July 27 & 28, 2024 at Vietnam Veteran's Memorial Park in Wallingford, CT.

KFAC was created after a few of us participated in a Long Island tournament and thought "why not Connecticut?" We can give adult women (21+) an opportunity to play soccer and support other issues affecting our community.

Over the years, we have donated tournament proceeds to several different organizations, but since 2010 we have partnered with Chrysalis Domestic Violence Services. They are an incredible organization that supports women and children throughout the state of Connecticut who are victims of domestic abuse. We are confident that our donations have indeed made a difference. Our efforts help to provide emergency and transitional housing as well as other support services.

We believe our event continues to be a great opportunity for participants and guests to engage in socializing and have fun while promoting a great cause. You don't have to be a soccer player to have a wonderful time at this event. Come enjoy the atmosphere, some soccer and enter the drawing to win awesome gift baskets donated by participating teams and local businesses!

Your contribution means a lot and we graciously accept any assistance you can offer. KFAC is a non-profit organization, so your donation is tax-deductible and serves as an excellent way to give back to your community.

Respectfully,

The Tournament Committee
